Adult Learning and Skills is always looking for new partners. Currently we are seeking partners who are interested in developing traineeships and/or work placements. Please see below for more information about this.

Traineeships – For Employers

Could your department provide a work placement to a young person on a Traineeship? We are looking for local employers who can offer real life work experience placements to support Trainee during their training programme to help them unlock their potential, prepare them for their future career by helping them to become 'work ready'.

If you would like to help, please contact Adult Learning and Skills for further information

Do you offer work experience placements?

We are looking for local employers who can offer real life work experience placements to young people in Cambridgeshire as part of a Traineeship programme with us

A Traineeship is an education and training programme with work experience that unlocks the great potential of young people, aged 16 to 24, and prepares them for their future careers by helping them to become 'work ready'.

At its core are a high-quality work experience placement, work preparation training, and English and maths if needed, giving young people the skills and experience that employers are looking for, helping them secure an apprenticeship or other job in the future
